

DETERMINATION OF NONSIGNIFICANCE

Description of proposal: Forest Practices Application #2703000. This proposal is for 370 acres of uneven aged timber harvest with the intention to convert the land out of timber production and to home lots. Approximately eleven thousand feet of new road will be constructed for development purposes.

This SEPA review pertains only to the forest practices activities. Subsequent development activities and permits may require additional review.

Proponent: Central Cascade Land Co. Inc.

Location of proposal, including street address, if any: Section 21, T20N, R15E, southeast of the City of Roslyn, Kittitas County, Washington.

Lead agency: Washington Department of Natural Resources

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21c.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.
